PETITION FOR REVIVAL OF AN INTERNATIONAL APPLICATION FOR PATENT
DESIGNATING THE UNITED STATES UNINTENTIONALLY ABANDONED UNDER 37

C.F.R. 1.137(b)

Sir:

1. The filing date of the above-referenced application in the United States Patent Office as the International Receiving Office was March 13, 2003. The application claims priority to U.S. provisional application No. 60/363,537, filed March 13, 2002.
2. PCT/US03/07658 designates the United States.
3. Because the fees and documents required by 35 U.S.C. 371(c) were not filed prior to the expiration of the time set in 37 CFR 1.495 (b) or (c) as applicable, the above-identified

application became abandoned as to the United States. The date of abandonment is the day after the date on which the 35 U.S.C. 371(c) requirements were due. See 37 C.F.R. 1.495(h).

4. The entire delay in filing the national phase application under 35 U.S.C. 371 until the filing of a grantable petition under 37 C.F.R. 1.137(b) was unintentional.

5. Applicant herewith encloses the national phase application of the above-referenced international application for filing in the United States.

6. Since this international application has an international filing date after June 8, 1995, no terminal disclaimer is required.

7. Applicant claims small entity status. The petition fee is set forth in 37 C.F.R. 1.17 (m) as \$750.

8. The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment, to Deposit Account No. 501,358.

Respectfully submitted,

Lowenstein Sandler PC
